INVITATION

FUNDAMENTAL SCIENCE CONGRESS 2017 (**FSC 2017**) is an annual event organized by the Faculty of Science, Universiti Putra Malaysia, and this year, the Department of Biology, Faculty of Science, Universiti Putra Malaysia is the main organizer.

The organizing committee of **FSC 2017** takes great pleasure to invite researchers, academicians, expert scientists, postgraduate students and others from various disciplines of science to participate in this congress.

The theme for this year's meeting is "**Emerging Themes in Fundamental and Applied Sciences**". As in previous years, the congress will identify and address current and pertinent issues of interest to both regional and international audiences. We believe **FSC 2017** will provide platforms to enhance research and innovations through networking, knowledge sharing and collaborations.

The fusion of knowledge, technologies, ideas and innovation presented and discussed at the congress will provide an exciting gathering for researchers, academicians, expert scientists, postgraduate students and others from various disciplines of science. Do not miss out on this opportunity to be part of this congress, and enjoy the eco-friendly UPM's "Garden of Knowledge and Thought" campus.

THE SCOPE OF CONGRESS IS MEANT TO COVER, AND IS NOT LIMITED TO:

- ❖ Biology
- ❖ Chemistry
- ❖ Mathematics
